May isang buto ng kamatis at isang buto ng sitaw.

Sila ay tumubo, at...

Dahan-dahan... sila ay lumaki.

Ang halaman ng sitaw ay nilagyan ng balag upang masuportahan ang tumutubo nitong sanga.

Kasabay sa paglaki ng halaman ng sitaw ay ang pagtaas rin ng balag na sumusuporta rito.

Nagsimulang makaramdan ng inggit ang halaman ng kamatis.

Pakiramdamng kamatis na hindi siya
pinapansin at pinapahalagahan.
Dahil dito ay ayaw na niyang kausapin ang
sitaw.

Sabay silang namulaklak.

Naging mabigat ang mga bunga ng kamatis.

"Siguro ay maari ka nang humingi rin ng balag?" aniya ng sitaw

"Masyado akong pagod para makipag-usap!" sagot ng halamang kamatis.

"Walang nagmamahal sa akin," umiiyak na
sabi ni kamatis. "Walang umaalalay sa akin."
"Tutulungan kita," sabi ng sitaw.

At isang araw, may nakapansin na ang halamang kamatis ay nahihirapan sa kanyang mga bunga. Sa wakas! Binigyan na ito ng balag para suportahan ang kanyang mga sanga.

"Naniniwala ka na ba sa akin?" saad ng sitaw.
"Ikaw ay mahal at sinusupportahan din."

"Oo, salamat aking kaibigan. Palagi mo akong tinutulungan"
ang sagot ni halamang kamatis.

Mga tanong:

1. Bakit malungkot ang kamatis na halaman?
2. Paano hinihikayat ng butong gulay na halaman ang kamatis na halaman?
3. Ano ang kailangan para maging mabuting kaibigan?
4. Anong mga halaman ang meron kayo sa inyong tahanan?

This book was created through a book development workshop conducted in collaboration between Third Story Project and The Asia Foundation.

The Third Story Project creates and produces children's books in Burmese and other Myanmar languages to distribute free of charge to children around Myanmar. The stories are written and illustrated by Myanmar artists for a Myanmar audience and

address issues of peace, tolerance, diversity, gender, environment, and child rights.
